Hello and welcome to NauticPure - the website about water sports!

Click into our directory of water sports centers who offer you the world windsurfing, sailing, and kiteboarding. In the [Atlas](#) or the menu [water sports centers](#) you can directly select a center. Each center has its own forum and photo gallery in which you can also contribute. With your review visitors will have an easier decision with the search for their own holiday!

With the [Advanced Search](#) Advanced Search you can also select a center wich match your criteria!

Community is also very important for us: come in contact with sailors, surfers and kites and form new friendships! Sign up directly with your Facebook Friends and Google Friend Connect data.

You have an own center? Then let's hit the keys and imagine your center! I am happy to help you grasp the item to incorporate pictures, ect. The [entry](#) is created in minutes!
